

### Historical, Geographical and Social Understanding

. We will start by taking an imaginary trip to Hollywood using maps, atlases and digital mapping to locate California and its main cities. We will learn about the varied physical features of California and will also be exploring the people, language, population, religions, sports, life and industry. We will then move on to explore the locations of children's films around the world starting with the film, 'Brave', which was inspired by The Highlands of Scotland. Our Historical focus will be inventions and discoveries in the Victorian Era, and will include: Photographic cameras, the light bulb and electric telegraph.

### Scientific and Technological Understanding

#### **Light**

Investigate light travelling from a source  
How are shadows formed?  
How do we see things?  
Dangers of light from the sun
